Vision: To become an eminent institution through knowledge and research

## BEST PRACTICE-1

**Title of the Practice:** Empowerment of student.

Following are the details of best practices adopted by the institute for Teaching, Learning

- Mentoring
- Skill development
- Peer learning.

### Goal:

#### 1. Mentoring:

The mentor plays the role of a guardian of the student mentoring. For the institute, the mentor is the first reference concerning any specific student. The mentor guides the mentees at every step at whatever the student takes up. The mentor personally ensures that the student is aware of all the resources available to the student during their course of study at the institute. The mentor is available to counsel the student in any matter of concern apart from the curriculum also.

#### 2. Skill development:

The emphasis is to skill the students for getting employability and also improves entrepreneurship. Tailor-made, need-based programmes are initiated which can be like language and communication skills, life and positive thinking skills, personality development skills, management skills, behavioral skills, engineering skill including job and employability skills. To impart Skills development.

#### 3. Peer learning:

To provide a safe space and learning environment for students without fear of judgment, misunderstanding. To increase confidence and to develop and enhance communication and social skills. To empower needy students to build personal resilience and improved help-seeking behavior through increased knowledge of available support. New technique of learning (PBL) to develop support group, co-operation, soft, professional & social responsible.
