One Day Awareness Program on Intellectual Property Right

Jhulelal Institute of Technology, Department of Electronics and Telecommunication Engineering organized a one day workshop on **Awareness Program on Intellectual Property Right**. The workshop was successfully conducted by **Prof. A. Bavaskar** in the presence of eminent dignitaries.

And you thought developing your new invention was hard work. The patent process can get overwhelming, especially considering all the different elements that go into an application. A formal (non-provisional) application has a few required sections. In addition to drawings of the invention, you'll include the specification, which essentially teaches someone how to make or use the invention.

The workshop received an overwhelming response from First, Second & Third year students.

Mr. Mahesh Sadhwani, Chairman SSCT, Mr. Pramod Pampatwar, Director Technical, Mrs. Madhavi Wairagade, Director HR & Admin, Dr. Narendra Bawane, Principal, Dr. Debashish Bhowmick, Vice Principal appreciated the efforts of the department.
