## REPORT ON STUDENT'S PARTICIPATION IN TOP 25 START-UPS GRAND FINALE

Department of Computer Science and Engineering in association with Entrepreneurship, Innovation and Incubation cell has visited to Chitanvis Centre, Nagpur to meet the top 25 start-ups grand finale on dated 2 April, 2023. The event showcased the innovative ideas and entrepreneurial spirit of young minds from various institutions and organizations. It was the Grand Finale of Innovation & Entrepreneurs Season-9 where students witness the heat of Innovation & Entrepreneurship. The 25 Start-ups were came from all across the world like Korea, US, India, etc.

The event aimed to identify and recognize promising start-ups, offering them a platform to present their business ideas, products, and services to a distinguished panel of judges and potential investors. Student came across to meet with the great Jury members including – Mr. Sameer Bendre, Chief of Operations at Persistent Systems, Nagpur, Mr. Anuj Badjate, Owner, Badjate & Co., Nagpur, Mr. Lionel Gommery, Head of O&M - Nagpur Concession at Veolia India Pvt Ltd, New Delhi.

Student got the chance to listen lot of innovative pitches like:

Air to water generator machine - by Aryan

Geo friendly resources rapid development on future vehicles- by Drive Tech intelligence Pvt. Ltd.

Robots services in agriculture- by Farm Sathi

Anti-Cancer Drug Producer- by Genesi Biotech (Biotech start-up)

Global Cyber security education company- Purple Synapse.

**Overall** it was an exhilarating experience for students to become a part of such a Global level Contest. The event was organised by the Lemon Ideas - An ecosystem, Entrepreneurship School, Start-up Mentoring and Innovation platform fostering collaboration and growth for better world for organising such a great event.
