5	Presentation by Dean IQAC.	Dr. Sohel Bhura Dean IQAC, discussed proposed plan of session 2024-25.	To ensure the department's continued growth and success, a comprehensive SWOC (Strengths, Weaknesses, Opportunities, and Concerns) analysis was conducted. This analysis considered parameters set by accrediting, ranking, and assessing agencies, aligned with the NEP-2020 framework, prioritized student-centric activities for improved placements, and addressed potential future challenges through expanded institutional outreach.	Dean IQAC	NEP-2020 had been implemented from 2023-24 onwards and is revised based on the as per suggestions on suggestions from various BOS experts. A training program for students was organized, and a separate aptitude trainer has been appointed.
6	Presentation by Dean Students.	Dr. Uma Thakur, Dean of Students, provided a comprehensive overview of the Student Development Center (SDC), including its various units, extension/social activities, local community engagement initiatives, target SDC plan, value-added courses, and student achievements.	The panel suggested adding MIC projects and identifying more avenues for peer learning	Dean Students	To implement the panel's recommendations, the department could try to integrate MIC projects into relevant courses and create structured peer mentoring programs. Additionally, providing necessary resources and faculty mentorship would foster a supportive environment for students to engage in these activities.

7	Presentation by Dean RnD.	Dr. Sohel Bhura Dean RnD, discussed proposed plan of session 2024-25.	To foster a robust research culture, the cell will establish MoUs with renowned institutions and industries. Additionally, organizing international conferences in collaboration with reputable journals would enhance visibility and attract global researchers. To further stimulate research output, initiatives such as registering all PhD-qualified faculty as supervisors within a year and allocating seed money for research activities could be implemented. Moreover, providing additional incentives for faculty to publish in high-impact SCI/Scopus indexed journals would further motivate scholarly pursuits.	Dean RnD	An International Conference is organized, and IEEE is in process. Seed money has been allocated to four faculty members. The publication policy has been revised and approved by the Governing Body.
