INDUSTRIAL VISIT REPORT

Mr. Petkar, Prof. Rahul Waghmare along with students of Mechanical Engineering Department during the visit

Industrial visit was organized for V semester Mechanical Engineering Students of Jhulelal Institute of Technology, on 25/08/2022 at **Parle-G, Near SRPCOE, Umred Road Nagpur**. Parle-G was established in 1939 in Mumbai manufacture Glucose biscuits. It has more than 80 years of experience of manufacturing biscuits.

This Industrial visit helped the students to grasp the practical knowledge related with Manufacturing. Mr. Petkar, demonstrated and explained about various sections of the Industry to a batch of 56 students. College Bus left the campus for visit at 01:00 PM and return to college at 4:30 PM.

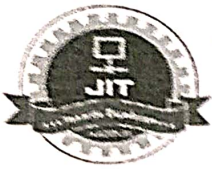

They explained and given valuable information about various sections of Industry in which the major processes are mixing, baking and packaging. Students get hands of knowledge of manufacturing of different Biscuits.

This industrial visit was arranged under the guidance of Dr. Narendra Bawane, Principal JIT, Prof. Prakash Dhopte, HOD Mechanical Engineering Department. The students were accompanied by Prof. Rahul Waghmare.

EXPOSURE VISIT REPORT AT INNOVATION AND INCUBATION CENTER, RTMNU

Date:- 20/10/2022

Mr. Abhay Deshmukh and Prof. Rahul Waghmare along with the students of Mechanical Engineering Department during the exposure visit

Objective: To make aware students about Incubation center.

Outcome: Students are expected to learn about the Innovation & Incubation center of Excellence at University Campus, RTMNU Nagpur

Exposure visit was organized for Final Year students of Mechanical Engineering of Jhulelal Institute of Technology, on 19/10/2022 at Incubation Center RTMNU campus, Nagpur,

This Exposure visit helped the students to grasp the knowledge related with Invention, Innovation and Incubation and the facilities available with Incubation center. Mr. Abhay Deshmukh, Director, Incubation Center demonstrated and explained about various sections of the Incubation center to a batch of 56 students. College Bus left the campus for visit at 10:00 AM and return to college at 3:00 PM.

They explained and given valuable information about various sections of Incubation center and the facilities available for Innovation and Incubation. Mr. Abhay Deshmukh, also encourage the students to work along with Incubation center. Students also get hands of knowledge of some part of the Incubation facility.

This Exposure visit was arranged under the guidance of Dr. Narendra Bawane, Principal JIT, Prof. Prakash Dhopte, HOD Mechanical Engineering Department. The students were accompanied by Prof. Rahul Waghmare, In-charge, Entrepreneurship, Innovation & Incubation Cell, JIT, Nagpur.

EXPOSURE VISIT REPORT AT INNOVATION AND INCUBATION CENTER, RTMNU

Date:- 20/10/2022

Mr. Abhay Deshmukh and Prof. Rahul Waghmare along with the students of Mechanical Engineering Department during the exposure visit

Objective: To make aware students about Incubation center.

Outcome: Students are expected to learn about the Innovation & Incubation center of Excellence at University Campus, RTMNU Nagpur

Exposure visit was organized for Third Year students of Mechanical Engineering of Jhulelal Institute of Technology, on 19/10/2022 at Incubation Center RTMNU campus, Nagpur,

This Exposure visit helped the students to grasp the knowledge related with Invention, Innovation and Incubation and the facilities available with Incubation center. Mr. Abhay Deshmukh, Director, Incubation Center demonstrated and explained about various sections of the Incubation center to a batch of 61 students. College Bus left the campus for visit at 10:00 AM and return to college at 3:00 PM.

They explained and given valuable information about various sections of Incubation center and the facilities available for Innovation and Incubation. Mr. Abhay Deshmukh, also encourage the students to work along with Incubation center. Students also get hands of knowledge of some part of the Incubation facility.

This Exposure visit was arranged under the guidance of Dr. Narendra Bawane, Principal JIT, Prof. Praksh Dhopte, HOD Mechanical Engineering Department. The students were accompanied by Prof. Rahul Waghmare, In-charge, Entrepreneurship, Innovation & Incubation Cell, JIT, Nagpur.

INDUSTRIAL VISIT REPORT

Students and faculties of Mechanical Engineering Department during the visit

Industrial visit was organized for III semester Mechanical Engineering Students of Jhulelal Institute of Technology, on 24/11/2022 at Unitech Reclamation Serviceses, Small Factory Area, Wardhman Nagar, Nagpur. This Industrial visit helped the students to grasp the practical knowledge related with Casting and Manufacturing Process subject. Mr. Sanadkumar Manjare, Head explained about various sections of the Industry to a batch of 19 students. College Bus left the campus for visit at 10:00 AM and return to college at 2:15 PM.

They explained and given valuable information about various sections of Industry in which the major sections are Casting and Machining. In casting section students saw different processes such as Pattern Making, Molding, Casting, etc

This industrial visit helped the students to get a practical knowledge to the theoretical once.

This industrial visit was arranged under the guidance of Dr. Narendra Bawane, Principal JIT, Prof. Prakash Dhopte, HOD Mechanical Engineering Department. The students were accompanied by Prof. Sanjay Sajjanwar and Prof. Pravin Petkar.
