Term of Reference:

The term of committee shall be for current academic year and committee shall work according to the terms mentioned as below:

- To prepare and implement a research quality assurance mechanism for ensuring that all research activities of the college conform to standard quality specifications
- To sensitize the faculty and research scholars to publish their research work in reputed national and international journals/conferences.
- To facilitate faculty members to apply and receive funds for conducting the seminars/workshops from various funding agencies.
- To create awareness among faculty members about the opportunities and avenues available for them towards participating in R&D activities and to encourage faculty members to submit research/ project proposals to various National and International funding bodies
- Guidance and support to students for getting quality publication and patents
- To initiate and promote MoU/MoA with industries, R&D organizations for consultancy, collaborative research, collaborative projects, etc and strengthen Industry-University interactions.

 Dr. Narendra Bawane
