## Report on "Awareness program on various exams like GATE/CAT/XAT for PSU sector opportunities and higher studies for SC-ST students"

Date: 11/09/2025

Organized by: SC/ST Cell

Target Audience: SC/ST Undergraduate

To bridge the information gap and encourage inclusive development, an awareness program was conducted focusing on national-level competitive exams such as GATE (Graduate Aptitude Test in Engineering), CAT (Common Admission Test), and XAT (Xavier Aptitude Test). The session specifically targeted SC/ST students, with the objective of empowering them with the right knowledge and tools to access opportunities in Public Sector Undertakings (PSUs) and higher education institutions like the IITs, IIMs, and other premier institutes.

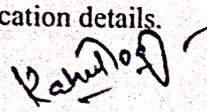

### Objectives of the Program

- To create awareness about various national-level competitive exams.
- To guide SC/ST students on career opportunities in PSUs through GATE.
- To provide information about management entrance exams (CAT/XAT) for higher education in IIMs and other reputed B-Schools.
- To familiarize students with eligibility criteria, exam patterns, preparation strategies, and support systems available.
- To motivate students to pursue academic and professional excellence.

The awareness program served as an important step in guiding SC/ST students towards prestigious career paths through competitive exams. The program highlighted the importance of awareness, preparation, and institutional support in empowering marginalized communities. Future initiatives will focus on mentoring, mock tests and continuous support programs.

### Outcomes of the Program

- Students gained clarity on career options available for post-graduation.
- Encouraged SC/ST students set higher goals and learned available exam notification details.

### Objective of the Program:

- The main objective of the awareness program was to inform and educate SC-ST students about the various government schemes, scholarships, financial aid programs, and career support initiatives available to them.
- The session aimed to ensure that students from marginalized communities are fully aware of the opportunities they are entitled to and are encouraged to take full advantage of them.

The awareness program was a successful initiative in bridging the information gap faced by SC-ST students regarding the financial and academic support provided by government bodies. The session empowered students with knowledge that can significantly impact their educational journey and career prospects.

### Outcome:

- Students expressed gratitude for the informative session, especially for clearing doubts related to the application process.
- Many students committed to applying for scholarships they were previously unaware of.
