#### **Highlights of activities conducted by JIT NSS UNIT 2022-23**

With regard to the NSS unit of Jhulelal Institute of Technology, our team has actively continued its mission of social service and community development in the five adopted villages: Gumthi, Gumthala, Lonara, Chakki Khapa, and Bailwada. Through the committed involvement of our volunteers, we successfully organized numerous activities focused on community development, environmental protection, health awareness, and national service throughout the academic session 2022–23.

The NSS unit not only focused on organizing commemorative and national events, but also aimed to instill a sense of discipline, civic responsibility, and leadership among the volunteers. Every activity was designed to bring about awareness, initiate behavioral change, and promote sustainable practices in the community. Through consistent efforts, the unit bridged the gap between classroom learning and practical societal challenges.

This year, the NSS team worked with full dedication and energy to carry out different social activities. Volunteers showed great teamwork and responsibility in every task. Whether it was celebrating important days or helping people in villages, they always gave their best. These activities helped students learn about real-life problems and made them more confident, caring, and active members of society.
