ROTARACT CLUB OF JIT

SESSION 2022-23

ANNUAL REPORT

The Rotaract Club of Jhulelal Institute of Technology (Rotaract Club of JIT / RAC JIT) is a beacon of leadership and service at Jhulelal Institute of Technology, Nagpur.

As a part of the global Rotaract network, Rotaract Club of JIT focuses on community service, professional development, and fostering international understanding. Our club provides a platform for students to develop leadership skills, engage in meaningful service projects, and build lasting connections.

At RAC JIT, we believe in the power of action. Our members actively participate in a variety of projects that address community needs, from local clean-up campaigns to educational outreach programs.

These initiatives not only benefit the community but also provide our members with invaluable hands-on experience.

RAC JIT is not just a club; it's a movement dedicated to creating positive change.

Our mission is to inspire students to become compassionate leaders and proactive citizens, contributing to a better world.

Event Name- Futsal

Date- 7 August 2022

Objective:

The objective of the FUTSAL Football Tournament was to promote physical fitness, teamwork, and sportsmanship among students. The event aimed to encourage active participation in sports, develop leadership qualities, and foster a sense of unity and healthy competition within the campus community.

Description:

The FUTSAL Football Tournament was organized to provide students with an opportunity to showcase their athletic skills and team spirit. Teams representing various departments participated enthusiastically in a series of competitive matches conducted under fair play guidelines. The event emphasized discipline, coordination, and strategic thinking, creating an energetic and motivating environment for all participants. Faculty members and student coordinators ensured smooth management of the tournament, maintaining high standards of organization and sports ethics.

Outcome:

The tournament successfully promoted fitness, teamwork, and leadership among students. Participants gained valuable experience in coordination, time management, and strategic decision-making. The event also strengthened bonds among students from different departments and fostered a culture of sportsmanship, perseverance, and mutual respect on campus.

Event Name-Surksha Bandhan

Date-11 August 2022

Objective:

The objective of the Suraksha Bandhan event was to promote a sense of respect, gratitude, and social responsibility among students by honouring the dedication and service of police officers, security personnel, and frontline workers. The event aimed to strengthen community relationships and instil values of empathy, unity, and civic awareness among students.

Description:

Suraksha Bandhan was organized as a heartfelt gesture of appreciation towards the protectors of society. Students tied rakhis to police officers, security staff, and other frontline personnel, symbolizing the bond of protection and mutual respect. The event included short speeches, interactive sessions, and cultural performances that highlighted the importance of safety, service, and social harmony. It created an emotional and patriotic atmosphere, allowing students to express gratitude and acknowledge the relentless efforts of those who ensure public safety.

Outcome:

The event successfully cultivated social awareness, empathy, and civic sense among students. Participants developed respect for community helpers and recognized their critical role in maintaining peace and security. It also enhanced students' communication and interpersonal skills while fostering unity and social responsibility within the campus.

Event Name- Har Ghar tiranga

Date-15 August 2022

Objective:

The objective of the Har Ghar Tiranga event was to instil a sense of patriotism and national pride among students and faculty by encouraging them to hoist the national flag at their homes. The event aimed to strengthen unity, respect for the nation, and awareness of the significance of the Indian Tricolour as a symbol of freedom and integrity.

Description:

Har Ghar Tiranga was organized under the Azadi Ka Amrit Mahotsav initiative to celebrate India's rich heritage and 77 years of independence. Students, faculty, and staff enthusiastically participated by displaying the national flag in their homes and on campus, symbolizing collective national pride. The event included flag-hoisting ceremonies, patriotic songs, speeches, and cultural performances that emphasized the importance of national unity and civic responsibility. The initiative fostered a spirit of belongingness and inspired participants to uphold the values of democracy, freedom, and harmony.

Outcome:

The event successfully promoted national pride, unity, and civic awareness among participants. Students developed a deeper understanding of the flag's significance and the sacrifices made for India's independence. It also encouraged active participation in nation-building activities and reinforced values of respect, discipline, and social responsibility.

Event Name- Van Mohotsav

Date- 15 August 2022

Objective:

The objective of the Van Mahotsav celebration was to promote environmental awareness, encourage afforestation, and sensitize students towards the importance of conserving nature. The event aimed to instil a sense of responsibility among students to protect the environment and contribute to a greener and healthier planet through active participation in tree plantation drives.

Description:

Van Mahotsav also known as the Festival of Trees, was celebrated with great enthusiasm on campus. Students and faculty members actively participated in planting saplings within and around the college premises. The event included informative talks on environmental conservation, the importance of trees in maintaining ecological balance, and sustainable practices for daily life. Participants also pledged to nurture the planted saplings and promote environmental awareness in their communities. The initiative reflected the institution's commitment to environmental sustainability and community engagement.

Outcome:

The event successfully fostered environmental consciousness and a sense of responsibility among students. Participants gained practical awareness about afforestation, sustainability, and the impact of trees on ecological health. It also encouraged teamwork, leadership, and community participation, contributing to the overall development of socially responsible engineers.

Event Name- Installation RAC

Date-24 August 2022

Objective:

The objective of the RAC Installation Ceremony was to officially induct the new team of office bearers and members into the Rotaract Club for the upcoming tenure. The event aimed to inspire leadership, responsibility, and service-oriented values among students while fostering teamwork, community engagement, and professional development through Rotaract initiatives.

Description:

The Installation Ceremony of the Rotaract Club (RAC) was conducted with great enthusiasm and pride. The newly elected President, Secretary, and core committee members were formally installed in the presence of faculty coordinators, dignitaries, and fellow Rotaractors. The event included speeches highlighting the vision and mission of the Rotaract movement, the achievements of the previous tenure, and plans for future community service projects. Motivational addresses by guests encouraged students to uphold the Rotaract motto of “*Service Above Self*” and actively contribute to social and professional growth.

Outcome:

The event successfully instilled a sense of leadership, commitment, and teamwork among the newly appointed members. Students gained confidence, organizational experience, and motivation to plan and execute impactful community service activities throughout the academic year. The ceremony strengthened the spirit of volunteerism and social responsibility within the student community.

Event Name- Dil ki Baat

Date- 5 september 2022

Objective:

The objective of the Dil Ki Baat event was to provide students with an open and supportive platform to express their emotions, thoughts, and experiences freely. The event aimed to promote mental well-being, emotional awareness, and peer bonding while encouraging a culture of empathy, understanding, and active listening among students.

Description:

Dil Ki Baat was organized as an interactive and engaging session where students shared their feelings, challenges, and personal stories in a comfortable and non-judgmental environment. The event included open discussions, motivational talks, and interactive activities designed to strengthen emotional intelligence and mental resilience.

Outcome:

The event successfully fostered emotional awareness, empathy, and a sense of belonging among participants. Students learned the importance of expressing emotions, managing stress, and supporting one another in personal and academic journeys. The initiative also enhanced interpersonal communication skills and strengthened peer relationships within the college community.

Event Name-International Literacy Day

Date- 8 september 2022

Objective:

The objective of celebrating International Literacy Day was to raise awareness about the importance of literacy as a tool for individual empowerment and social development. The event aimed to inspire students to contribute toward promoting education, bridge learning gaps, and understand the vital role literacy plays in building an inclusive and progressive society.

Description:

International Literacy Day was observed with great enthusiasm to emphasize the value of education and lifelong learning. The event included awareness sessions, interactive discussions, and outreach activities focused on promoting literacy and education for all. Students participated in poster-making, essay writing, and street play activities highlighting the importance of literacy in eradicating poverty and promoting equality. Faculty members and student coordinators encouraged participants to take initiatives that support education in underprivileged communities, aligning with the global vision of sustainable development through learning.

Outcome:

The event successfully developed awareness among students about the transformative power of education and literacy. Participants realized the significance of contributing to educational initiatives and promoting learning beyond classrooms. The celebration fostered empathy, social responsibility, and a sense of purpose among students toward community development through education.

Event Name- Sampradhana(Blood Donation camp)

Date- 28 September 2022

Objective:

The objective of the event Sampradhana was to promote the value of humanitarian service among students and create awareness about the importance of voluntary blood donation in saving lives. The initiative aimed to instil a sense of social responsibility and compassion in engineering students by encouraging them to participate in a noble cause that directly benefits the community.

Description:

The event Sampradhana was organized as a Blood Donation Camp under the RAC (Rotaract) Club of the institute. The camp was conducted in collaboration with a recognized blood bank and healthcare professionals who facilitated the collection process. Students, faculty members, and staff actively participated in the event, ensuring smooth coordination and high turnout. Prior awareness sessions were held to educate students on the significance, process, and safety of blood donation. The camp created a positive atmosphere of teamwork, empathy, and civic engagement among participants.

Outcome:

The blood donation camp witnessed enthusiastic participation from students and faculty, leading to the successful collection of several units of blood that will aid hospitals and patients in need. Participants gained a sense of fulfilment by contributing to a lifesaving cause, and the event enhanced the spirit of volunteerism.

Event Name- National cancer Awareness Day

Date- 7 November 2022

Objective:

The objective of the *National Cancer Awareness Day* event was to educate students and faculty about the causes, prevention, and early detection of cancer. The event aimed to spread awareness regarding healthy lifestyle choices, regular health check-ups, and the importance of early diagnosis in saving lives. It also intended to encourage engineering students to take social initiatives that contribute to community health and well-being.

Description:

The *National Cancer Awareness Day* was organized under the RAC (Rotaract) Club of the institute. The event included expert talks by healthcare professionals who shared information about various types of cancer, preventive measures, and the role of youth in awareness campaigns. Informative posters, presentations, and interactive sessions were conducted to engage participants and dispel myths related to cancer. Students actively participated by preparing informative displays and conducting short awareness drives within the campus.

Outcome:

The event successfully enhanced awareness among students and staff regarding cancer prevention and early detection. Participants developed a sense of responsibility toward promoting public health and gained valuable knowledge about lifestyle choices that reduce cancer risk. The event also strengthened students' communication, teamwork, and organizational abilities while promoting empathy and social consciousness.

Event Name- World AIDS Day
Date-1 December 2022

Objective:

The objective of the event was to raise awareness about HIV/AIDS, promote preventive education, and eliminate the stigma associated with the disease. The event aimed to inform students and the community about the importance of safe practices, early testing, and compassion toward people living with HIV/AIDS.

Description:

The World AIDS Day event was organized to spread awareness and educate participants about HIV transmission, prevention, and treatment. The program included informative sessions, poster presentations, and awareness rallies led by students and faculty. Experts shared insights on maintaining safe health practices and the role of youth in breaking myths and misconceptions surrounding the disease. Students also prepared awareness materials and engaged in discussions promoting empathy and inclusivity.

Outcome:

The event helped participants gain accurate knowledge about HIV/AIDS and understand the importance of preventive healthcare and social acceptance. It fostered awareness, responsibility, and empathy among students, encouraging them to contribute toward building a stigma-free and health-conscious society.
